

Upper Midwest Maintenance Rally

sponsored by Precision Frame & Alignment

866-473-2632

HOW DOES IT WORK?

Organize a group of as few as six or as many as 12 RV's (we may be able to accommodate a few more depending on the type and services required, please call) and appoint a Wagon Master.

The Wagon Master will work with us to select your Maintenance Rally Week (rally weeks run Wednesday thru Saturday).

Each RV owner should work directly with us to complete their personal service estimate request. Prior to arriving, each member of the rally will have selected the services they wish to receive and notified us of them via the [Online Service Estimate](#), or by completing the [Service Estimate form](#) and emailing it to us.

Travel as a group to our location and arrive Tuesday evening for parking. Wednesday through Saturday are service days. Attendees can enjoy the sights and sounds of the beautiful upper Midwest while your RV is professionally serviced at our nationally renowned facility. A list of some of the potential activities is in the Rally Pack. Owners can also stay with their RV and watch the service work.

Rally Groups must have a minimum of six RV's. Groups of 10 or more RV's will also receive two seminars and an ice cream social.

The basic rally cost is \$50 per RV for dry camping.

Groups wishing to upgrade their rally can add the following services for an additional \$75 per each member of the group (all members must opt in for the upgraded rally):

- 30A power
- Water tank fill up
- 1 Honey wagon pump out
- Access to free WiFi
- Access to laundry facilities

Additional services offered by our rally partners and available at owners expense while at the rally include:

- Propane refill
- Coach wash and external detailing
- Towed wash and external detailing
